

# BURCHAM K-8TH SCHOOL PRESIDENT'S FITNESS CHALLENGE

THE CHALLENGE IS ON:  
APRIL 2<sup>ND</sup> THRU APRIL 6<sup>TH</sup>

YOUR TEACHER WILL  
HELP YOU GET READY

## Our Goal

In order for Burcham to play a more integral part in creating a healthier lifestyle for our students we are introducing a new and exciting fund raiser and fitness event.....The President's Challenge Program! This program, in existence since 1966, informs and inspires children on their journey to be active through awards and recognition programs. We are coupling the program along with our fund raising efforts to help provide additional enrichment programs that benefit every child at Burcham. Our goal is to reach \$10,000!

## The Challenge

Your child's participation will be during school hours and coincide with their physical education program. The President's Challenge includes five activities that measure strength and endurance, cardio respiratory endurance, speed, agility and flexibility. The month of March will be utilized to familiarize each student with all of the activities and the goal levels for their age group. Students can win prizes based on levels of donations but every student who participates will receive an award based on their level of achievement.

## T-Shirts & Donations

Those students, who want to have a Burcham Challenge T-shirt for the April 2<sup>nd</sup> thru 6<sup>th</sup> event, must have at least a \$25 pledge/donation submitted by Wednesday, March 14<sup>th</sup>. Those who turn in money after March 14<sup>th</sup> will still receive prizes according to the list below. The deadline is only to receive the t-shirt before the challenge. Ask friends and family to help sponsor your challenge.
